

PowerShell Script Inputs

Please enter your tenant domain (e.g. veeva.onmicrosoft.com).

You can get this URL by navigating to the **Microsoft Entra Admin Center**, and the **Overview** tab. The URL needed is the **Primary Domain** field:

The screenshot shows the Microsoft Entra Admin Center interface. The left-hand navigation pane is visible, with the 'Overview' option under the 'Identity' section highlighted with an orange box. The main content area displays the 'Overview' page for a tenant named 'devops'. A search bar at the top of the main area contains the text 'Search your tenant'. Below this, the 'Basic information' section is displayed as a table:

Name	devops	Users	855
Tenant ID	7c577d9e-dcf3-4618-9534-5522a96e0343	Groups	1,095
Primary domain	devopsveeva.onmicrosoft.com	Applications	358
License	Microsoft Entra ID P2	Devices	205

Below the table, there are three alert boxes:

- MSONline PowerShell Retirement**: Please migrate from any use of MSONline PowerShell. This module is deprecated and will retire in April 2025. Temporary outages for MSONline PowerShell will occur between January and March 2025. [Learn more](#)
- Global Administrators**: 14. Microsoft recommends fewer than 5 Global Administrators. [View privileged role assignments](#)
- Migrate to the converged Authentication methods policy**

Please enter the client ID of your existing Entra ID app.

This is the **Application (client) ID** for the app registration for your Vaults:

Home > devops > App registrations >

Mike CA

Supported account types My organization only	

Starting June 30th, 2020 we will no longer add any new features to Azure Active Directory Authentication Library (ADAL) and Azure Active Directory Graph. We will continue to provide technical support and security updates but we will no longer provide feature updates. Applications will need to be upgraded to Microsoft Authentication Library (MSAL) and Microsoft Graph. [Learn more](#)

Build your application with the Microsoft identity platform

The Microsoft identity platform is an authentication service, open-source libraries, and application management tools. You can create modern, standards-based authentication solutions, access and protect APIs, and add sign-in for your users and customers. [Learn more](#)

Please enter your SharePoint admin URL (e.g. <https://veeva-admin.sharepoint.com/>).

You can get this URL by navigating to your **SharePoint Admin Center**, and copying the first part of the URL there:

Home - SharePoint admin center

https://devopsveeva-admin.sharepoint.com/_layouts/15/online/AdminHome.aspx#/home

SharePoint admin center

Search active sites

Site search

Please enter your SharePoint site URL (e.g. <https://veeva.sharepoint.com/sites/MySite>).

This is the URL for your existing SharePoint site, which you can get by navigating to the site in the **SharePoint Admin Center** and copying the **Site Address**:

The screenshot shows the SharePoint Admin Center interface. On the left is a navigation pane with categories like Home, Sites, Active sites, Deleted sites, Containers, Policies, Settings, Content services, Migration, Reports, and Advanced. The main area is titled 'Active sites' and shows a list of sites. The selected site is 'Modern CA Demo 3', which is a Private group. Below the site name are tabs for General, Activity, Membership, and Settings. The 'General' tab is active, displaying a table of site information:

Basic info	Email addresses	Other info
Name Modern CA Demo 3	Primary ModernCADemo3@devopsveeva.onmicrosoft.com	Created 4/18/25 at 11:39 AM by Devops Admin from Microsoft 365 group
